About You - contact information – Enter a U.S. Mailing Address. This address **must** be valid for at least 5 months from date you submit your application.

Important Reminders:

- When filling out your OPT application, it's important to carefully choose your **U.S. mailing address** — this is where USCIS will send your **receipt notice, approval notice, and your OPT EAD card**. Since the EAD is a secure government document, **USPS will not forward it** if you move.
- **Do not list a campus or university address**, as these often become inactive after graduation and can result in lost mail.
- Changing your address after submitting your application can cause delays and may result in your EAD card being lost or returned to USCIS.
- If you prefer, you can use a **P.O. Box**, as long as it's a secure and reliable option for receiving your mail.
- Before entering your mailing address, make sure it's valid and properly formatted by checking it through the USPS website: [USPS Address Lookup Tool](#)
- Your **U.S. physical address** should be the address where you are actually living at the time you submit your application.

What is your current U.S. mailing address?

Provide a 7, 8, or 9-digit number. If the A-Number is fewer than 9 digits, the system will automatically add zero(s) after the "A" and before the first digit so there is a total of 9 digits, for example: A-001234567.

What is your USCIS Online Account Number?

Providing your unique USCIS Online Account Number (OAN) helps us manage your account. You may already have an OAN if you previously filed [certain paper forms](#) and received an Account Access Notice in the mail. You can find the OAN at the top of the notice; it is not the same as an A-Number.

Unemployment and Travel Considerations

- Whether or not you are working, the 2-year STEM OPT work benefit continues.
- According to F1 regulations, you may only be unemployed for more than **150 days** total throughout your 3-year period of OPT and STEM OPT combined. These **150 days** are aggregate, and do not reset if you change jobs or lose employment.
- Please keep in mind that any travel is a risk. If your visa is no longer valid, then you will have to renew your visa before traveling back to the United States. There is a chance you could still be denied this visa, so please keep that in mind when travelling.
- If you decide to travel after applying for OPT and it is after your I-20's program end date, carry the following:
 - EAD Card
 - Post OPT I-20, signed in the "travel authorization" section within 6 months of the date of departure.
 - Valid Passport
 - Valid visa
 - Job offer letter and pay stub
- If you decide to leave the country and end your STEM OPT early, please email oip@shu.edu to inform us.
